Traffic Management Change on Kay Road and Tunis Road

Kia ora Neighbour,

We would like to update you on development activity in your neighbourhood. Here's what you need to know.

As mentioned in the September Development Community Update, there will be a change in traffic management on Kay Road and Tunis Road to help keep everyone safe while the stormwater upgrade work continues. This traffic setup will be in place 24 hours a day, 7 days a week. To make getting around easier, please see the attached map for recommended detour routes.

Duration of work	6 October 2025 – End of November 2025
	We are planning for these timings, but with work on this scale we sometimes come across issues that can make the job more complicated. If the work or timings change significantly, we will let you know
Working hours	Monday to Friday - 7:30am to 6:00pm Saturday, if required - 7:30am to 6:00pm

How this will impact you

- **Traffic Management**
 - **Kay Road:** Vehicle access for residents to remain accessible via Tunis Road.
 - **Tunis Road:** No vehicle access between 24 and 30 Tunis Road. Vehicles will need to use appropriate side streets as detours, please refer to map for guidance.
- **On-Street Parking:** Street parking within the work zones and along detour routes will be restricted. These areas are highlighted in yellow on map below.

If you have any questions or concerns regarding this work or would like another copy of the September Development Community update, please get in touch with LEAD Alliance Senior Community Liaison Advisor, Kirrily Watson, at kirrily.watson@leadalliance.nz or via mobile (021) 1987 575.

For any other queries, you can contact Tāmaki Regeneration Company on 0800 521 555 or via email info@tamakiregeneration.co.nz.

Ngā mihi nui,

The Team at Tāmaki Regeneration

No street parking in our immediate working or areas, highlighted in yellow below
