Kia ora Neighbour,

We would like to update you on development activity in your neighbourhood. Here's what you need to know.

LEAD Alliance needs to revisit a section of wastewater infrastructure outside 56 Torino Street. We will return on Monday, 8 December to remediate this section.

Duration of work	Monday, 8 December 2025 for approximately 1 week
	We are planning for these timings, but with work on this scale we sometimes come across issues that can make the job more complicated. If the work or timings change significantly, we will let you know.
Working hours	7:30am to 6:00pm (Monday to Friday) 7:30am to 6:00pm (Saturday)

How this will impact you

- **Traffic management:** There will be a one-way detour in place with no exit from Tripoli Road end of Torino Road. Please follow all traffic management signs to navigate around the work area and refer to the attached map for the designated vehicle entry and exit points to access your property.
- **On-street parking:** Will be limited 24 hours, 7 days a week for the duration of dates outline above in areas with traffic management, please do not park vehicles within the areas highlighted red.
