## Infrastructure Works and Traffic Management Notice: Tripoli Wastewater Upgrades– Phase 1

Kia ora Neighbour,

We are writing to let you know about upcoming infrastructure works in your neighbourhood as part of ongoing wastewater upgrades in the area. These works are essential to support improved wastewater services and long-term resilience for the local community.

Construction is expected to begin in mid-March 2026 and will progress in phases across the area, with completion targeted for December 2026.

We will begin with **Phase 1**, located between **Boundary Reserve and Hobson Drive**, the first of three phases in this programme. As part of this programme, temporary traffic management will be in place between March and June 2026.

### What to expect

Phase 1 Project	Details
<b>Construction</b>	March 2026 to June 2026
<b>Working Hours</b>	7:30am to 6:00pm (Monday to Friday) 7:30am to 6:00pm (Saturday, if required)

As works move through the area, you may notice:

### Construction Impacts:

- **Construction noise and dust:** Some disruption is expected, but we will work to minimise impacts.
- **Reduced on-street parking:** Parking restrictions will be in place in designated areas.
- **Pedestrian and cyclist access:** Footpaths and cycle access will remain open at all times, with fenced work zones for safety.
- **Restricted areas:** Some areas may remain closed during and outside working hours for safety reasons.

### Traffic Management:

A map is enclosed to outline the impact area during March and June 2026.

During this period, traffic management will include:

- **Temporary road closures:** Residents will have access most of the time, with brief restrictions when work is directly in front of a driveway. Works will move progressively along Tripoli Road.
- **Restricted areas:** Some areas may remain closed during and outside working hours for safety reasons.
- **One way access** along Tripoli Road. Detour routes can be found along the following:
  - Tangaroa St - Dunkirk Rd - Alamein Rd in the East or
  - Torino St - Pilkington Rd - Hobson Dr in the West.

Our team will do our best to minimise disruption and complete the work safely and efficiently. Emergency vehicle access will be maintained at all times.

Further updates will be provided as works progress into new phases. Please keep an eye on your letterbox for more detailed information, including traffic management plans, parking arrangements, and timing as works move closer to your property.

If you have any questions about these works, please contact:
